721 E. Grand River, Howell, 48843
Attn: Maureen Norman

DUE: January 23, 2008

The presenters are local therapists with significant levels of substance abuse treatment experience. In a panel format, the session will address diagnosis, stages of change, levels of treatment and other closely related topics.

This workshop can be beneficial for experienced practitioners, new practitioners and those making referrals for treatment and otherwise interacting with the substance abuse system (law enforcement, education, courts, etc.).

Through the WCHO, those working towards one of the substance abuse credentials will earn 3 CEU's for attendance.
